8.01 Inspection and Verification. NEEA may, upon twenty-four (24) hours’ written notice to Contractor, inspect or verify Contractor’s performance. Contractor shall provide NEEA sufficient, safe and proper facilities and equipment for such inspection and free access to such facilities. Such inspection or verification does not relieve Contractor of responsibility for performance of the Tasks.

9.01 General Indemnification. The Contractor shall indemnify, defend and hold harmless NEEA, its directors, officers, employees, affiliates, and agents (the “NEEA Indemnitees”) from any and all claims, demands, suits, losses, costs, and damages of every kind and description, including court costs and attorney fees, resulting from or arising out of the performance or nonperformance of the Contractor’s obligations under this Contract. The Indemnity obligations under this Article includes without limitation:

(a) Loss of or damage to any property of a party or any third party;

(b) Bodily or personal injury to, or death of any person(s);

(c) Claims arising out of workers’ compensation, unemployment compensation, or similar laws or obligations applicable to the Indemnifying Party; and

(d) Claims arising out of Contractor’s actual or alleged infringement or wrongful use of any patent, copyright, trade name, trademark, confidential or proprietary concept, method, process, product, writing, information or other item arising out of Contractor’s obligations under this Contract.
9.02 If any of the Tasks or use of the Work Product constitutes an infringement of any patent, copyright, trade name or trademark, or wrongful use of any confidential or proprietary concept, method, process, product, writing, information or other item, Contractor shall at its expense either (1) procure for NEEA and the rest of the NEEA Indemnitees the right to use the infringing item; (2) replace the infringing item with a substantially equal but non-infringing item; or (3) modify the infringing item so that it becomes non-infringing.

Additional insured status under general liability shall apply to both ongoing and completed operations.

10.05 Insurance Certificates. Contractor shall provide NEEA with certificates of insurance, prior to commencement of the Tasks under this Contract, evidencing all policies required under Article 10 (Workers’ Compensation and Insurance) of this Contract prior to the Effective Date, and any policies held by subcontractors who are engaged by Contractor to perform under this Contract. All Contractor certificates of insurance will contain the promise of the insurer to give NEEA written notice of any lapse, cancellation or material reduction of any of the required policies in accordance with policy terms.

10.06 Right of Rejection. NEEA retains the right to reject any insurance policy, provider, underwriter and certificate of insurance held or provided by Contractor that fails to meet NEEA’s qualifications. Acceptance of the policies and certifications required of and provided by Contractor under this Contract will not be unreasonably withheld by NEEA.

Failure to comply with the Guidelines listed in this Article may result in termination of this Contract. NEEA reserves the right to inspect and review Contractor’s compliance with these Guidelines.

12.02 Publication Requirements. Contractor shall give NEEA a two-week notice to review and approve any public dissemination of materials, information, data or results related to this Contract (“Publication Item”). Contractor shall include an acknowledgment in any Publication Item that it was supported, in whole or in part, by NEEA, but that such support does not constitute an endorsement by NEEA of the views expressed therein.

12.03 Media. Contractor shall not speak to the media on behalf of NEEA, or regarding any NEEA-funded project, without prior approval from NEEA’s Corporate Communications Department.

Article 13. Correction of Noncompliance

Contractor’s Obligation to Correct. If Contractor fails to satisfactorily correct the defective or non-complying Tasks, then NEEA may correct such Tasks by the most commercially reasonable means available to it at Contractor’s expense.

Article 14. Termination

14.01 No Cause Termination. NEEA may at any time, upon ten (10) days’ written notice to Contractor, terminate this Contract for all Tasks not then performed, whether or not Contractor is then in breach or default. Upon receipt of any such notice of termination, Contractor shall, except as otherwise directed by NEEA, cease performance of the Tasks as specified in such notice.
14.02 **For Cause Termination.** Either Party may at any time terminate this Contract for cause if the other Party: (1) fails to make sufficient progress in its work as to endanger complete and timely performance of the Tasks; (2) breaches or defaults any of its representations, warranties, or covenants under this Contract; or (3) fails to comply with any material provision of this Contract. Such termination is effective immediately upon notice to the other Party.

14.03 **Equitable Adjustment.** If termination is not the result of Contractor’s breach or default, NEEA shall compensate Contractor for the percentage of the Tasks satisfactorily completed at the time of termination. Contractor shall use its best effort to minimize the compensation payable under this Contract in the event of such termination.

**Article 15. Non-Solicitation**

15.01 During the term of this Contract and for one year after the termination of this Contract, Contractor will not, without the prior written consent of NEEA, directly or indirectly recruit or solicit to employ (as an employee or contractor) or encourage the departure of any NEEA employee.

**Article 16. Miscellaneous**

16.02 **Counterparts; Electronic Signatures.** This Contract may be executed in counterparts and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party. Contracts or counterparts executed and delivered by the Parties through facsimile transmission or by email delivery of a “.pdf,” “.xps,” or equivalent read-only format data file shall be considered valid and create the binding obligations of a signed original Contract.

16.03 **Authority.** Each of the individuals signing this Contract represents and warrants that he or she has been properly authorized by the Party for whom the individual is signing this Contract to enter into this Contract.

16.04 **No Assignment.** Contractor shall not assign, subcontract or delegate any right or interest in this Contract without the prior written consent of NEEA. Any assignment without NEEA’s prior written consent is voidable at NEEA’s option. Assignment, subcontracting or delegation of this Contract shall not relieve Contractor from its responsibility to perform the Tasks in accordance with this Contract. Notwithstanding the above, this Contract is fully binding upon, inures to the benefit of, and is enforceable by the successors, permitted assigns and legal representatives of the respective parties to this Contract.

16.05 **Waiver.** The failure of either Party to enforce strict performance of any provision of this Contract or exercise any right under this Contract shall not be construed as a waiver of the Party’s right to subsequently require performance of any or all provisions or rights under this Contract.
16.06 Future Compliance. In the event that additional requirements are at any time imposed on NEEA by a funding agreement, including changes to NEEA funding, the Parties shall in good faith promptly renegotiate this Contract so that the Contract is in compliance with the funding agreement.

16.07 Survival of Obligations. All obligations of Contractor and of NEEA that may reasonably be interpreted or construed as surviving the completion, termination or cancellation of this Contract will survive the completion, termination or cancellation of this Contract, including but not limited to Article 3, Article 6, Article 7, Article 8, Article 9, Article 11, Article 12, Article 13, Article 15, and Article 16.

16.08 Rights and Remedies. The rights and remedies of the parties set forth in this Contract are in addition to and do not in any way limit any other rights or remedies afforded by any other provision of this Contract or by law.

16.09 Entire Agreement. This Contract sets forth the entire agreement of the Parties and supersedes any and all prior negotiations, agreements, discussions and understandings between the Parties, whether oral or written, relating to the subject matter hereof, including but not limited to the Tasks. Any amendment or modification of this Contract shall be made only in writing and signed by the Parties.

16.10 Headings. The headings in this Contract are for reference only and shall not affect the meaning, construction or interpretation of this Contract.

16.11 Exhibits. The exhibits referenced in this Contract are part of this Contract as if fully set forth in this Contract. In the event of any inconsistency between this Contract and the Exhibits, the terms of this Contract shall control.

16.12 Severability. If any provision of this Contract is determined to be invalid or unenforceable, the remainder of the Contract shall remain in full force and effect and shall be binding upon the Parties. If possible, any unenforceable provision within this Contract will be modified to reflect the parties’ original intent.

16.13 Governing Law. This Contract will be interpreted, construed and enforced in all respects in accordance with the substantive and procedural laws of the State of Oregon, without regard to conflict-of-laws principles.

16.14 Attorney Fees. In any proceeding by which one party either seeks to enforce its rights under this Contract or seeks a declaration of any rights or obligations under this Contract, the prevailing party shall be awarded its reasonable attorney fees, costs, and expenses incurred.

16.15 Injunctive and Other Equitable Relief. The Parties agree that the remedy at law for any breach or threatened breach by a party may, by its nature, be inadequate, and that in addition to damages, the other Party(ies) will be entitled to a restraining order, temporary and permanent injunctive relief, specific performance, and other appropriate equitable relief, without showing or proving that any monetary damage has been sustained.
16.16 **No Third Party Beneficiaries.** This Contract is made and entered into for the sole protection and legal benefit of the Parties. No other person shall be a direct or indirect legal beneficiary of, or have any direct or indirect cause of action or claim in connection with this Contract.

16.17 **Disputes.** Prior to commencing any legal action, the Parties shall attempt in good faith to resolve any dispute, claim or controversy arising out of or relating to this Contract through the following process: Either Party may initiate such negotiations by providing written notice to the other Party setting forth the subject of the dispute and the relief requested (the “Dispute Notice”). The Party receiving such notice will respond in writing within ten (10) business days with a statement of its position on and recommended solution to the dispute. If the dispute is not resolved by this exchange of correspondence, then representatives of each Party with full settlement authority shall meet at a mutually agreeable time and place within thirty (30) business days of the Dispute Notice to attempt in good faith to resolve the dispute.

16.18 **Arbitration.** Any dispute, claim or controversy arising out this Contract not settled by the negotiation process in Article 16.17(Disputes) will be settled by binding arbitration in accordance with the then effective rules of Arbitration Service of Portland, Inc. Judgment upon the award rendered by the arbitrator(s) may be entered in the court having jurisdiction as further defined in Article 16.19(Jurisdiction). Any hearing will be held in Portland, Oregon.

16.19 **Jurisdiction.** Subject to Article 16.17(Disputes) and Article 16.18 (Arbitration), each Party irrevocably submits to the exclusive jurisdiction of the Multnomah County Circuit Court or the United States District Court in Portland, Oregon, over any suit, action or proceeding arising out of or relating to this Contract, and confirms that such court has personal jurisdiction over such Party.
