Proposed HPWH Consumer Consideration Campaign

- Context
 - 2023 program focus on distributors and installers
 - This program focus will continue in 2024, while ensuring consumers are also moving along in their journey
 - Consumer awareness of HPWHs has grown significantly and it is expected to continue to grow across the Northwest—next step is to move them to consideration
- Recommendation
 - Run a small-scale consideration campaign in 2024, with the purpose of moving consumers from awareness to consideration
- Next Steps
 - Mid-February: Attend Q1 RPAC/RPAC+ meeting and see proposed campaign creative
 - March: Provide feedback
 - Mid-May: Participate in Q2 RPAC+ elections
 - By mid-June: Proposed campaign launches

A piece of brown paper with a string tied in a bow. The string is a light brown, twisted cord. It is tied in a bow that is centered on the right side of the paper. The bow has two loops, one pointing upwards and one pointing downwards. The string extends horizontally across the middle of the paper, and then vertically down the right side. The background is a solid, textured brown color.

Let's wrap it up!
